Subject: lunch next Wednesday in San Ramon?

Liza

I'm really happy you'll be able to make the "quarterly update" meeting next Wednesday in San Ramon.

I have also wanted to schedule a meeting with you and Sumeet, now that he is officially Jane's replacement, to talk about his vision going forward and start to build that relationship directly. It occurred to me that we might all grab lunch next Wednesday before the other meeting if you are available?

Like 11:30?

Let me know if that's a possibility and then we can work out the details. If that doesn't work, we'll look for another time.

Thanks

Laura
