Hey, let me know if you want to talk about procedural steps re: PTR. I agree with the plan that I believe Sid D has discussed with you.

I'm around, but was hungry so already ate lunch at my desk. I'd be happy to go for a walk with folks, though. I have some end of year administrivia, so I'm flexible on time.

I ate breakfast a bit late so I'd prefer to eat around 12:30, but I can go sooner if other folks are hungry now.
