

Community Choice Aggregation

Community Choice Aggregation, or CCA, is a program available within the service areas of investor-owned utilities, such as PG&E, which allows cities and counties to purchase and/or generate electricity for their residents and businesses. Under CCA, PG&E continues to deliver the electricity through its transmission and distribution system and provide meter reading, billing, maintenance, and outage response services.

To learn more about CCA, see frequently asked questions **or call PG&E at 1-866-743-0335.**

Current CCA programs in California:

Within PG&E's service territory there are two active CCAs. These include Marin Clean Energy (MCE) and Sonoma Clean Power (SCP).

MCE

MCE began serving the generation needs for customers within Marin County in 2010. In 2013 MCE expanded to the City of Richmond.

For more information regarding MCE, please contact 1-888-632-3674 or online at: www.mceCleanEnergy.org

Sonoma Clean Power

Sonoma Clean Power is offering a CCA program to the first group of customers within participating cities and areas in Sonoma County which begins in May 2014. PG&E customers in this first phase will be automatically enrolled with Sonoma Clean Power in May 2014 unless they choose to opt out of the CCA program. Sonoma Clean Power will be providing enrollment and opt-out notifications to customers before May and after enrollment occurs. Customers who choose to opt out need to contact Sonoma Clean Power directly. Sonoma Clean Power plans to expand its enrollment to additional customers in the future.

Opt-Out Information

Please note: PG&E cannot accept opt-out requests.

If you want to opt out of a CCA program and have received notice(s) from a CCA that your electric service will be served by a CCA, you must submit your opt-out request to the CCA directly. Please note that an opt-out request must be submitted to your CCA whether your area is transitioning to the CCA for the first time or if you start a new electric service within an existing CCA area. Customers may only opt out of an established CCA program by contacting their CCA.

You may opt out by contacting MCE at 1-888-632-3674 or you may opt out online at: www.mceCleanEnergy.org

You may opt out by contacting Sonoma Clean Power (SCP) at 1-855-202-2139 or you may opt out online at: www.SonomaCleanPower.org
