Hi Marzia,

Aaron is on vacation until tomorrow am and isn't checking emails. I think he is helicopter skiing. I will check in with him in am and will have a back up. I will let you know.

Also, the date for safety leadership workshop at Livermore is 5/16. Please let me know if that works for you and your team. If not I will find other dates.

Thanks,
Meredith

Hi,

So, are we settled for tomorrow? is Aaron Johnson going to ask a question that is not addressed to Elon Musk?

Tell him to be here at 1pm so he gets a seat in the main auditorium. I forgot his email address or else I would email him, but you did promise me that a question will get asked.

Thanks ☺
