Subject: RE: R1206013 - Request for Changes to Phase 2 Schedule to Accomodate Potential Settlements

Your Honors-

Pursuant to our procedural discussion by phone today, PG&E, SCE, ORA and TURN hereby respectfully request a change in the procedural schedule for Phase 2 of this proceeding, in order to accommodate potential settlements of the Phase 2 issues while allowing sufficient time for hearings and a Commission decision in time to make any rate design changes effective for the summer 2014 period.

PG&E, SCE, ORA and TURN believe they have made sufficient potential progress on settling issues in PG&E's and SCE's respective Phase 2 proposals, in order to necessitate this change to the procedural schedule.

Here is the revised procedural schedule that we request be approved:

Event	Date
Simplified Rate Design Proposals Served	January 28, 2014
Supplemental Utility Testimony Served	January 28, 2014
Intervenor Testimony Served	March 5, 2014
Motions to Adopt Settlements filed and served, if any	March 5, 2014
Rebuttal Testimony Served	March 12, 2014
Comments on Settlements	March 14, 2014
Reply Comments on Settlements	March 20, 2014
Evidentiary Hearings	March 24- 26, 2014
Opening Briefs Filed	April 7, 2014
Reply Briefs Filed	April 16, 2014

Thank you for your consideration of this request, and we respectfully request a response to this request as soon as possible so that parties subject to this Friday's deadline for intervenor testimony may have certainty regarding the procedural schedule. We would be happy to answer any questions you might have, and we ask all parties to provide any comments directly in response to this email.

Subject: R1206013 - Phase 2 Schedule

The procedural schedule for R1206013 Phase 2 will be as follows. Note that I have allocated 3 days for evidentiary hearings – 1 day for each utility. As we move closer to the hearing dates we will determine if that allocation is appropriate.

Also, this email confirms the directions to the utilities made at the January 8, 2014 prehearing conference regarding additional supplemental testimony.

- (1) Utilities should serve simplified rate change proposals for 2014. These proposals should retain the current rate design structure and avoid rate shock. If the rate change proposals are not simplified, it is not realistic to expect a decision on the proposals in time for summer 2014.
- (2) Utilities should work with Energy Division to develop testimony that includes useful comparisons between proposed and existing rates in a standardized format.

Utilities and interested parties may contact Energy Division to provide input on what additional testimony is most useful to parties. The utilities are also encouraged to work directly with the other parties.

In addition, in light of the many comments by parties at the PHC, it is necessary for the utilities to inventory residential rate design issues to be resolved in this and other proceedings. The inventory will be used to clarify what aspects of residential rate design will be addressed in this proceeding and to ensure that all issues are being addressed in an appropriate Commission proceeding.

A formal Amended Scoping Memo memorializing the schedule will follow soon.

Event	Date
Simplified Rate Design Proposals Served	January 28, 2014

Supplemental Utility
Testimony Served
Intervenor Testimony Served February 28, 2014
Rebuttal Testimony Served March 7, 2014
Evidentiary Hearings March 17 – 19, 2014
Opening Briefs Filed March 31, 2014
Reply Briefs Filed April 9, 2014
Proposed Decision May 9, 2014
