I hope he's as receptive to ORA's ideas and concerns that we raise as Jane had been. We believe we've made good headway with PG&E and I'd hate to see that go by the wayside.

Tell me about it.

Sumeet Singh was just appointed Vice President in her place last week. I like him very much and though no one will ever be able to fill Jane's big shoes or bring her soft yet strong touch, he will do a very good job.

Just heard that Jane had retired last month. Too bad, she was someone that we felt we could work with.
