Hi Jamie,

This would be awesome....any chance you could pull one together by next Friday??? I am taking the last week of February and all of March off.

Also, are you comfortable if Commissioner offices were represented?

Thanks!!!

Chris

That would be great. Over the next few weeks we will be working on after action workshops, etc. When were you thinking (timeframe)?

Hi Jamey,

Wondering if it would be possible to have a post-GridEx meeting to go over the simulation and any lessons learned or results from it from PG&E's perspective?

Thanks again!!!!

Chris
