Hi Chonda:

I got your VM this morning. I'm tied up in meetings, but wanted to let you know that the ORA team is looking at putting something on paper to see what Sr. Management might find agreeable based on the feedback we got. Once we hear back, we will approach the group and see if that's something you all are willing to entertain. I'm pushing to have something for parties to consider by early next week (I'm shooting for Tuesday).
