Hi Sid,

Meredith Allen set up a meeting between us, [Redacted] and Papia Gambelin to discuss our customer database, and your local government relations. Meredith let us know that she will not be available but you will be standing in for her. Our room number has changed and we will be meeting in the courtyard room. I can meet you, [Red], and Papia in the lobby just before 2.

We're looking forward to the discussion!

Jennifer Caron
