Subject: FW: New Pig

Paul – thought you'd enjoy seeing (picture attached) and reading about the new pig technology we are using that turns out to be a more cost effective solution than digging up pipe segments.

Below is a link to the Currents article that was just released for your reference.

<http://www.pgecurrents.com/2014/02/27/milpitas-using-new-technology-pge-begins-inline-inspection-of-peninsula-pipeline/>

Please let me know if you have any questions, require additional information or would like to discuss further.
