That's fine. Just go ahead and submit the request and we will figure out a time that works for me or Comr Peterman, depending on availability. Thanks.

Subject: Meeting request to discuss overgeneration

Julie,

PG&E would like to arrange a briefing for Commissioner Peterman and/or her staff to discuss

the challenge of overgeneration, when must-run generation is greater than load plus exports. This is becoming an increasing issue for PG&E as non-dispatchable renewable resources represent an increasing share of our supply portfolio. We are in the process of developing a strategy to deal with this issue and we would like to discuss it with you.

We will submit a meeting request to your office. I anticipate the meeting will last approximately one hour.

Let me know if you have any questions.

Thanks,

Erik
