Subject: PG&E's 2015 GT&S Rate Case: Draft Motion for Retroactive Revenue Requirement

Jonathan and Tom,

Thanks again for meeting with us on Tuesday regarding the schedule for the 2015 GT&S Rate Case. As we discussed, attached for your review is a draft motion for a Commission Order that the 2015 GT&S revenue requirement be retroactive to January 1, 2015, in the event of a Commission decision after that date. There is some text on pages 2 and 3 that reflects the current state of the parties' positions on schedule. In the event that we are able to reach a consensus on the proposed schedule before filing this motion, I will revise that text accordingly.

If possible, please send me any comments you may have by end of day next Wednesday, February 19. Once I hear back from you and incorporate your comments, we plan to share the draft with the broader group of intervenors.

Regards,
