Subject: SED Utility Safety 2014 Annual Plan

Hi,

Please find attached the 2014 Annual Plan for SED Utility Safety and Reliability. Please have a look and let me know if you have any questions or if you see anything missing. I'm intending for this to be a living document and will keep it updated with new information as things come up.

The plan is intended primarily as a CPUC internal management tool – I'm sending it to you to make sure that it's complete and to answer any questions that you might have. If you would like to share it with someone outside of your organization, I would appreciate it you check-in with me first.

Kind Regards,

Liza
