Yes. I believe it was submitted by my assistant. It isn't urgent. It was to be me, Laura and Meredith. You've met me, know Laura. Meredith is Laura's boss and she reports to me. Nothing more. We can always wait until things settle down with you.

Is this the same as the meeting you submitted on our online form? Is there a time-bound topic? Give me a bit more to go on...

Thanks.

Another PG&E breakfast request—is it okay to schedule?

Hello Juliane!

Brian Cherry and two of his directors would like have either breakfast or lunch with Commissioner Picker (Meet and Greet). Can you please give me some dates that work for him, and I will see if those work for our folks here. I will then a meeting request.

Thank you.
