Great. See you at 1230. I'll meet you in the cafeteria. Alex is on Prednisone and it has knocked down the welts and blisters. Next Thursday, we take him to Children's Hospital for ear surgery to stop these recurrent ear infections and antibiotic cycles.

That would be fine, provided we go about 12.30 (I have a meeting that lasts until 12).

Is your little one doing better, I hope?
