Subject: FW: Carmel Update: Open House & Mtg w/ Police Chief

Denise and Terrie --

Just wanted to share this brief report about this afternoon's open house in Carmel. There is extensive ongoing communication and that seems to be helping the community gain confidence. The Carmel Police Chief continues to take the lead for the city and is highly engaged; there is positive progress.

Upcoming City Council meeting is next week, on April 1, and we will provide another update then.

Regards,
Laura

We held a Community Open House at Carmel City Hall today.

Over 30 interested residents attended. Most residents had complimentary feedback on our incident response and community outreach.

3 elected officials attended, including the Mayor, Vice Mayor, and a Councilmember.

Media was present and indicated that we would be featured on the evening news.

Ross Leverett, [Redacted] also met with the Police Chief and staff to present remaining work and our safety protocols. We agreed to submit a written Scope of Work as well as revisions to our permits (to include sewer inspections). The team is working on this documentation for submittal this week.

Next, we will present an update to City Council on April 1.
