Subject: Celebratory Dinner for WMDVE Companies involved in \$800 Million offering

Nuria,

On behalf of Brian Cherry, PG&E is hosting a dinner for a small group of attendees (reps from WMDVE, investor banks, & PG&E) who participated in the largest bond offering in PG&E's history. PG&E would like to know if Pres. Peevey would be interested in attending the dinner. If so, please provide us Pres. Peevey's availability in April, May or June (on a Tuesday or Wednesday).

Thank you for your consideration in this matter.
