**CPUC AND ARB TO ANNOUNCE
THE CALIFORNIA CLIMATE CREDIT**

SAN FRANCISCO, March 28, 2014 - The California Public Utilities Commission (CPUC) and the California Air Resources Board (ARB) will hold a news teleconference to announce the California Climate Credit, which is part of the State of California's effort to reduce greenhouse gas emissions and slow global warming.

WHAT: Teleconference for media

WHEN: Monday, March 31, 2014, 11 a.m. PST

WHERE: Teleconference will begin at 11 a.m. PST

Redacted

Redacted

Phone lines will open at 10:50 a.m. PST

WHO: CPUC President Michael R. Peevey and ARB Chairman Mary D.

Nichols

Background: The California Climate Credit is part of California's efforts to fight climate change by reducing greenhouse gas emissions. The credit is from a State government program that requires power plants and other large industries to pay for permits when they put carbon pollution in the air. For more information go to: www.energyupgradeCA.org/climatecredit.
