PG&E Officers;

After parallel with the grid early Thursday morning, Diablo Canyon Operators continued to safely ramp Unit 1 to 100 percent power, which was achieved at 0438 on Saturday morning. Both Units are now at full power.

This will be the final communication related to 1X19. If you have any questions or concerns, you are welcome to reach out to me at your convenience. The team at Diablo Canyon greatly appreciates your support.

Thank you,

Ed
