Subject: Fwd: PG&E Supplier Diversity 2013 Annual Report and 2014 Annual Plan

I am happy to announce that our GO156 Supplier Diversity Annual Report and Plan was filed with the CPUC this afternoon. Attached you will find our entire filing. Our results are now official and you will see that this year we achieved 42.1% Supplier Diversity spend.

Congratulations to all who helped us achieve these magnificent results. We are working with Tony Khing of the Corporate communications team to prepare the appropriate dissemination of our success. No word yet on how other companies have performed. Thanks. Joan
