Subject: R.13-11-006 - Workshop Agenda

Hello Everyone,

This email is to the Service List of R.13-11-006, how to integrate a risk-based approach into utility funding requests and how to streamline the GRC process. Beginning next Wednesday, March 19th, the Commission will hold a 3-day workshop to get feedback on the staff proposal that was issued on Feb 20th.

Attached is the agenda for the 3-day workshop as well as the staff proposal that was issued on Feb 20th. This effort is an iterative process and we need stakeholder input and feedback. As such, we are requesting that some of you participate in our panels. I have put down names that have already accepted the participation, but there are a few spots that I need names for. **Specifically, the Commission is requesting participation from TURN, Tesoro, and PacifiCorp** (the two Sempra companies will be giving their name tomorrow). Please see attached where you are needed and send me a note with a name and/or questions.

Utilities will send their use cases to the service list by COB tomorrow. There is no need to file the use cases, please send an email to the parties. We will consider including one or all of them as part of the final straw proposal that will become part of the record.

Lastly, I will need a headcount. Please let me know if you are planning on attending the workshop and which days.

Thanks very much,

Marzia Zafar - Director, Policy & Planning Division
