**SAN DIEGO GAS & ELECTRIC COMPANY (U902E) MOTION FOR SHORTENED
NOTICE PERIOD TO SERVE NOTICE OF SETTLEMENT CONFERENCE ON
PHASE 2 INTERIM RATE CHANGES**

Pursuant to Commission Rule of Practice and Procedure Rule 12.1, San Diego Gas & Electric Company ("SDG&E") hereby requests leave to file a Notice of Settlement Conference on less than 7 days' notice as provided for under Rule 12.1 of the Commission's Rules of Practice and Procedure (see attached Notice). This Motion is made on the grounds that an agreement in principle has been reached between SDG&E, ORA, and TURN, and other parties have expressed potential interest in joining this agreement, cross-examination estimates from the parties to this proceeding to date indicate that little hearing time, if any, will be necessary for cross-examination of individual party witnesses, and the parties are already available at the date and time that would be scheduled for the settlement conference, March 24, due to the fact that hearings have already been scheduled for this date but may not be necessary on that date in light of the lack of anticipated cross-examination to be conducted in this Phase of the proceeding.

Should this Motion be granted, the Settlement Conference shall take place on March 24, 2014, at 2:00 p.m. telephonically.

DATED at San Diego, California, on this 20th day of March, 2014.

Respectfully submitted,

By: /s/ Thomas R. Brill
