Subject: RE: PAS-55 Standards

Hi Laura – For now I'd be interested in viewing a copy of the PAS-55 standard if available; actually I found a copy of PAS 55-1:2008 – is this the version you are using? If not, is this something that can be purchased for CPUC purposes – or do you recommend we purchase on our own?

Ken

Javid tells me they are under license and we aren't authorized to share/copy/distribute them. BUT he would be happy and interested in walking you through the PAS 55 docs as well as ISO 55000 on site in San Ramon.

Want to arrange a time in San Ramon?

Hi Laura – Do you happen to have a copy of the PAS-55 standards? If so can you send me a copy – thanks.
