Subject: RE: Ticket?

Oh shoot - I actually traded in my ticket as a credit. I don't think they're sold out and it's General Admission, so I think that you can still get one for her.

Here's a Slate article about Veronica Mars:

Give Mr. Doll my best. Hopefully we can do dinner soon!

Subject: Ticket?

Hey there!
I'm trying to explain Veronica Mars to Larry.
Don't I need to buy your ticket? Its tomorrow and I nearly forgot!
I'm hoping Liza will go with us.

How should we make this happen?
