Subject: Aldyl A data request 5

Raymond:

As I mentioned during the meeting today I am requesting the following items:

1. Number of steel main to Aldyl A tapping tees, segregated by installation year 1973+prior and post 1973.
2. Number of leaks at the tapping tee or any point on service line within a few inches of the tapping tee.
3. An electronic copy of the latest version of the J-DIMP calculator.

Please deliver the above items by March 21, 2014. Thanks.
