Subject: RE: PG&E Gas leak optimization pilot program -- Sacramento field visit by Denise Tyrell and Liza Malashenko (CPUC Safety & Enforcement Division)

Aaron – let's take March 18 and then perhaps we will have a couple backup dates if there are conflicts or bad weather.

I'll send an outlook invite!

Thanks

Laura

Yikes -- just realized I didn't respond to you! Yes, the place remains the same (Sacramento) but it could be morning or afternoon. Any time between 8 am (which I'm guessing is too early) and 2 pm.

Thanks Aaron.
