Chuck

I apologize for not sending you [Redact] info sooner -- I left town and forgot!

So here is [Redac] email. She can explain what all [Redac] does and what she is doing for the CEC.

[Red] -- Chuck is in the CPUC's Risk Assessment group.

You two should know each other.

All the best
Laura

Hi Laura,

You mentioned this person when we were in Sacramento a couple of weeks ago. Turns out there are a bizillion companies named [Redact] Would you happen to have her contact information? Or maybe a more exact name of her company?

BTW, the big data request that I sent to you, I am planning to send to all of our gas utilities. Just trying to determine some best practices for leak management. I'm also planning to look outside Calif.

Thanks,
Chuck
