Subject: Automatic reply: Today (from The Writer's Almanac), a show I love even though it's Garrison Keilor and even though KQED doesn't carry it

I am out of the office traveling for work and returning April 1, 2014. I will check emails periodically but not during the California business day. For immediate assistance in Commissioner Peterman's office, please contact Cristine Fernandez at cmf@cpuc.ca.gov or call 415-703-1407. Thanks.
