Subject: Need to reschedule our get together today

Sorry to report that it seems that Erik's home city, Walnut Creek, is having a problem with our plan to remove trees over their gas transmission pipeline. . .

Many calls are coming into the CPUC and I am trying to help provide info. It will be better if I'm sober and focused as the night wears on.

So I have rescheduled for April. Mark – hope that will work for you.

Thanks!

Laura
