Subject: Assistance with study

Good afternoon,

A student named Michelle Moreno is asking for our assistance to help her conduct a thesis study regarding workplace motivation. People in any job functions are welcome to participate, as long as you're not in a supervisor or manager position. Participants should be willing to meet outside of work for a 15-20 minutes interview. Michelle lives in San Jose but she has no problem with traveling to SF. The preferred location is South Bay/San Jose but if you live in the city and would like to volunteer, that's okay too.

If you would like to volunteer your time for this interview, contact Thuy Phung by Wednesday, March 5th, who will coordinate the meeting.

Thank you.
