I could not get on the webcast via either Explorer or Firefox. I submitted my info, then got the message that webpage would not display. At home yesterday I was able to use what appears to be the same webcast service, without problems (for a CAISO webinar yesterday)

Hi, anyone receiving this,

I'm on the telephone, but not WebEx for today's CAISO stakeholder mtg. on competitive solicitation improvements.

PG&E's transmission manager just handed out a one page PowerPoint that I would like to see. Would you please e-mail that to me?

Thanks!
