Subject: RAM Maps & Risk Model Meeting

Ray,

Are you available at 10:30 on 4/1 for a conference call with Audrey Lee and our corporate security person to discuss the availability of infrastructure information on PG&E's website for the renewable auction mechanism program. We will send you materials prior to the meeting.

In regard to the risk model meeting, would 10-12 on 4/18, 21 or 23 work? If any of those dates work for you, I will then check with Liza.

Thanks,

Meredith
