Subject: Questions for Interview

Ray,

Below are questions for the interview. We definitely plan to cover the first four and then maybe one of the other three. Please let me know if you have any

feedback on the questions. We really appreciate you taking the time. The audience is all supervisors in Geisha's organization.

Also, would you have time to arrive at 12:40? It would be a good opportunity for you to meet Pat. If not, we can schedule for another time.

Thanks,

Meredith
