Subject: RE: Lunch

Lunch for me is out those two days. Let me check the home calendar re: beverage. I will definitely need a drink Monday after work.

Drat! You picked the one day I can't. We're overdue, though!!

How about Monday the 24th or tues the 25th. Or an after work beverage. I probably could sneak out around 4 for an important "offsite meeting" like that.
