Stephen,

This is great news! Attached you will find the relevant tariff sheets illustrating the rates in effect during the years requested (1980, 1985, 1990, 1995, 2000).

Please note that in 1987, the rate schedule name was changed from D-1 to E-1 per the attached Advice Letter AL1133-E.

Regards,

Yes, I only need the rate component section. I don't need the explanations and prose

that follow. Thanks very much,

Stephen,

I am working on your request for copies of PG&E's Electric Rate Schedule E-1 dating back to 1980. Are you only interested in the rate component section of the tariff? If so, we can narrow our research to those tariff sheets.

Thank you.
