Subject: Thank you!

Liza,

I would like to sincerely thank you for making additional time yesterday to meet with me prior to our first quarterly meeting of the year between our teams. I was extremely impressed by your vision for the SED organization and your passion and commitment to drive towards achieving this vision. I look forward to continuing to build on the open and transparent relationship that you had established with Jane Yura as we strive towards our common objectives of ensuring that we continue to design, build, maintain and operate our gas system in a safe manner.

Please feel free to contact me at any time.

Thank you.

Sumeet
