Subject: RE: Break-room and Workspace Policy Notification: A Message From Administrative Services

I like 11. Man, my heart has gone out to Terrie on a few of these. How undignified to send out an email telling employees not to spit in the sink.

Break-room and Workspace Policy Notification: A Message From Administrative Services

As we move towards the various phases of the Restack Project we also want to ensure that the CPUC is operating within the guidelines of the state as it pertains to workplace safety. To accomplish this, the CPUC has developed a Workspace Policy and a Break-room Policy consistent with DGS, OSHA, and the California Labor Code. These policies have been posted on our Intranet at <http://intranet:8080/cpucpolicies.aspx> under Employee Resources sub-heading Policies. You are encouraged to review and familiarize yourself with the policies.

If you have any questions or concerns pertaining to safety, please contact the safety staff at safetyoffice@cpuc.ca.gov. If you have questions or concerns pertaining to facilities, please contact the facilities staff as cpucfacilities@cpuc.ca.gov.

Thank you for your support.
