Subject: Energy Bar Association Speaking Engagement

Commissioner Picker,

It was good to see you at the Morrison & Foerster luncheon last week. My colleague, Charles Middlekauff, alerted me to an upcoming speaking engagement opportunity with the Western Chapter of the Energy Bar Association (EBA). EBA would like you to be the speaker at a luncheon

that is being scheduled for this May in San Francisco. The idea is to have you speak for 10-15 minutes about your priorities and key issues for the Commission, followed by Q&A from the audience. The whole program would be about 45 minutes, and there would be some time for meet and greet in advance. This is an informal setting and box lunches will be provided. The luncheon will be at Holland & Knight's offices in SF. Last year there were about 30 people who attended a discussion with four CPUC ALJs.

The dates under consideration are: 11:30am to 1pm, May 5, 6, 7 and 9

Please let us know if any of these dates would work with your schedule. There is a great deal of interest in hearing your thoughts on regulatory issues and thank you for considering this speaking engagement.

Best regards,

Erik
