Lou,
Yes, you are correct. Schedule S is the only tariff at issue in AL3951-E-B.
Erik Jacobson is backing me up whole I'm out. I've copied him here. His office number is 415-973-4464.

Sorry to interrupt your time off.
Can you refer me to someone ?
I'm close to finishing up on this resolution for station power, but I need verification on a few items.

I'll call you tomorrow.
Lou

As I understand it, the only PG&E tariff affected by this Advice Letter is Schedule S, Standby Service, correct?
Are there any otherwise applicable tariffs that are affected by this Advice Letter?

Thanks,
Lou
