Subject: Carmel Investigation

Greetings all,

This is to notify you that the incident site data acquisition phase of the investigation is complete. Exponent and PG&E will no longer request access to the property.

[Redacted] (representing Liberty Mutual) has a key to the lock on the fence, as does [Redacted] from Property Restoration Services (PRS). PRS provided the fence and structural shoring services. [Redacted] can be reached at [Redacted]

The incident casual analysis is in progress and the final report is expected within three weeks.

I want to thank you all for your support and great collaboration on this investigation.

Best regards,  
Steve
