Subject: Re: Sewer Inspections

All,

The homesite is secure.

Frontline-Energy is still inspecting sewer mains [Redacted]

We will be starting on the street again at 0800.

Greetings all,

Today we are in the street with Frontline-Energy performing video inspections of the "as-is" condition of the sewer mains along 3rd St. and Guadalupe.

Later today, we will inspect the sewer lateral service to house. I will forward the roster of those who require entry when we are ready to proceed with that direction.

Please do not hesitate to contact me at any time with questions or comments.
