Re: CORE Spot Market Natural Gas Purchase Report

Dear Mr. Myers:

The attached report reflects the monthly gas costs in response to the CPUC's ongoing spot gas data request, PG&E No. G-37, dated November 25, 1985, and continuation request dated September 29, 1986, related to PG&E's fall 1985 GAC. The report is for the CORE Spot Market Natural Gas Purchases for the month of February 2014.

The revised Microsoft Excel format, which will be provided henceforth, allows users to sort and aggregate the data according to individual needs¹.

PG&E provides this report on a confidential basis under the provisions of Section 583 of the Public Utilities Code and General Order 66-C.

Sincerely.
