Sunil,

Attached is the vegetation management standard.

We will follow-up to confirm if the 2013 report was shared with the CPUC. I do not have a record of it.

Laura,

When was the 2013 report shared with the CPUC? Also, I'm not sure I have the veg management standard handy, can you please send a copy of that, as well.

Thanks.

Sunil

Sunil

We look forward to talking Friday.

I know you have the Jan 17 report, but am not sure you have the previous one.

You also have the veg management standard, right?

As we discussed, on Friday we'll go through this and the broader discussion of our integrity management perspective.

Thanks

Laura
