**Subject:** Execution of energy and green attributes sale transaction with Tenaska Power Services Co.

On April 17, 2014, PG&E entered into an agreement (EEI confirm) with Tenaska Power Services Co. for PG&E to sell to Tenaska 50,000 MWhs of electric energy and associated green

attributes generated during the period from the agreement's effective date through October 31, 2014. The transaction is intended to obtain value from non-bankable Portfolio Content Category 1 RECs being generated by three Placer County Water Agency (PCWA) small hydro units.

CPUC approval will be required for this transaction, whose notional value is approximately \$5.3 million.

Please call me with any questions.
