Re: WITHDRAWAL OF SAN DIEGO GAS & ELECTRIC COMPANY (SDG&E) AL 2501-E AND 2501-E-A; REQUEST FOR APPROVAL OF SDG&E POWER PURCHASE AND SALE AGREEMENT FOR COMBINED HEAT AND POWER (CHP) ENERGY AND CAPACITY PRODUCT FROM JASMIN POWER III –SD6000, LLC

Dear Mr. Randolph:

In accordance with General Order 96.B, Section 5.3, San Diego Gas & Electric (SDG&E) hereby withdraws Advice Letters (ALs) 2501-E and 2501-E-A filed on July 3, 2013 and November 21, 2013, respectively. The purpose of ALs 2501-E and 2501-E-A was to request approval of a Combined Heat and Power (CHP) Power Purchase and Sale Agreement (PPA) that SDG&E had executed December 18, 2012, as amended, with Jasmin Power III-SD6000, LLC for the energy and capacity associated with a new CHP Facility located in Kern County, California.

SDG&E is withdrawing the ALs 2501-E and 2501-E-A because the PPA has expired by its own terms. Accordingly, SDG&E submits this request for withdrawal of ALs 2501-E and 2501-E-A, and asks that the Energy Division provide SDG&E confirmation of the receipt of this withdrawal at its earliest convenience.

Please contact me if you have any questions.

Sincerely,

CLAY FABER
Director – Regulatory Affairs
