ADVICE LETTER 2596-E/2287-G
(U 902-M)

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

**SUBJECT: REQUEST FOR APPROVAL OF GAS AND ELECTRIC FORM 101-01073,
NOTICE OF SHUT-OFF (MAILED)**

San Diego Gas & Electric Company (SDG&E) hereby submits for approval with the California Public Utilities Commission (Commission) revisions to its electric and gas tariffs as shown in Attachments A and B, respectively.

PURPOSE

The purpose of this filing is to request approval from the Commission of a new gas and electric form, Form 101-01073, Notice of Shut-Off (Mailed). This form represents another option for informing the customer that if they don't pay their past due amount, their service could be disconnected.

DISCUSSION

Currently, SDG&E has employees in field who distribute 48 hour notices, i.e., those notices that inform the customer that if they don't pay their past due amount, their service could be disconnected. SDG&E intends to begin providing these customers this notice through the United States Postal Service™ (USPS) or by phone. It allows the tariff Rule flexibility to make this change.

New Form 101-01073 provides additional information for customers regarding payment arrangements including: on-line, phone via BillMatrix, mobile phone app, and a link to a listing of authorized payment locations. Further, because SDG&E is no longer making a filed visit,

¹ Electric Rule 11.3 states (in part) emphasis added: "For residential service, the Utility shall make a reasonable attempt to contact an adult person residing at the customer's residence either by telephone or by personal contact at least 24 hours prior to termination of service, except that, whenever telephone or personal contact cannot be accomplished, the Utility shall give, either by mail or in person, a notice of termination of service at least 48 hours prior to termination."

customers will not be charged \$9 as authorized by Gas and Electric Rules 9.E (Rendering and Payment of Bills).

SDG&E intends to implement mailing this form with the USPS "Certificate of Mailing" service. Certificate of mailing service provides evidence that mail has been presented to the USPS for mailing. Mailpieces with a Certificate of Mailing may not be placed in a Post Office mail drop or in a street letterbox. They must be accepted by a postal employee, most often at a Post Office.

This filing will not result in an increase or decrease in any rate or charge, conflict with any schedules or rules, nor cause the withdrawal of service.

EFFECTIVE DATE

SDG&E believes this filing is subject to Energy Division disposition and should be classified as Tier 2 (effective after staff approval) pursuant to GO 96-B. SDG&E respectfully requests that this filing be approved effective May 28, 2014 -- 30 days from the date filed.
