Subject: R.13-11-006: Marino redline on Commission responsibilities

Marzia,

Please see attached redline of staff straw proposal. I did not touch sections II or III (as I trust the utilities and intervenors will sufficiently cover those areas) but modified sections I and IV, drawing primarily from Liza Malashenko's comments in Panel 6 (Day 3 morning) regarding the Commission's audit responsibilities and how work outside of the GRC can be made to serve the GRC.

As a sidenote, as future discussions will include a "risk lexicon," I would suggest consideration of FAA's definitions to supplement those of DHS. DHS has a very extensive lexicon for risk, but perhaps lacks the context FAA provides in its publications that may make FAA's definitions more immediately applicable:
