It's a sign of stress that I never even responded to this email which I just found!!

Sheesh! Sorry.

I would love to see Geitner May 29, but believe we'll be in Marfa that week, as long as events don't conspire against us ☺

I'm going to Caitlin _____ who's speaking about elephants in early May. Want to go to that one?

Hi there

I saw that David Grossman is doing a talk on Friday May 9th at JCC. Any interest?

Tim Geitner is also doing a talk at Emanu-El in late May through JCC but tickets are not on sale for that, yet.

How was Mr. Doll's visit? Hope Larry had a nice spring break!
