Glad it reached you Mike. Have a good and relaxing week in that beautiful setting!

Michael Krasny did a show on KQED yesterday about Steinbeck and the history of the Grapes of Wrath. Fascinating development. Also fascinating to hear from Steinbeck's son, also a writer.

All the best,

Laura

What a nice surprise. You did a great job in capturing much of my 75th (!). Sure, some of the photos were a bit grainy, but that only added to the charm. Thanks so much; you are great.
