I'll be out there. Comm Picker is going through Gas Control at the same time.

I know you're likely swamped, but we also have the consultant flying in for the discussion.

Thanks

Laura

Hi Laura,

I hope you're doing well. I'm still uncertain as I'm taking on some new duties since we originally initiated this meeting. Suman and Steve will definitely be there tomorrow. Are you going to be there?

Kenneth Bruno

Acting Program Manager

Gas Safety & Reliability Branch

Safety and Enforcement Division

California Public Utilities Commission

Ken

Are you not coming out for the tree root discussion? Only Steve and Suman?

Thanks

Laura
